

## **Organize a Workshop and get REWARDED**

Hello CA's, Amazing offers waiting for you.

We would like to organise 2 to 5 days workshops on **IoT, Machine Learning, Python, AI, etc.** to create awareness and update the students for the new emerging technologies.

### **Exciting offers for you....**

Organise a workshop in your college & we will give you

- ✚ Free access to the workshop with participation certificate
- ✚ Free Coordinator Certificate
- ✚ Chance to get internship in our Company - UniConverge Technologies Pvt. Ltd.
- ✚ Become a part of the community of working professionals and start-ups to share knowledge and get opportunities.
- ✚ Free T-shirt from our side

### **What you have to do???**

1. Confirm your interest
2. Select the topic on which you want to organise a workshop (you can visit our website- [www.theiotacademy.com](http://www.theiotacademy.com) for the courses provided)  
Note: if course of your interest not listed, please contact us, we can arrange it, if feasible.
3. Talk to your college organising committee who will confirm the workshop on behalf of the college
4. Give us the tentative dates for the event

Note:

The workshop confirmation will depend on the final no. of registrations.

The workshop will be paid for other students @ an affordable price.
